

Varta-Microbattery Technical Seminar  
Sponsored by Martan, Inc.  
EEE&M 2010 Show  
St. Charles Convention Center  
Wednesday, April 7<sup>th</sup>, 11:15AM – 12:45PM  
Seminar Room 101

## So You Think You Know Batteries

### Rechargeable batteries:

Varta has been manufacturing rechargeable and primary batteries since 1888. At this session, we will share our expertise in selecting the right battery chemistry for your application, and we will review emerging trends in nickel metal and lithium ion rechargeable batteries, focusing on how to design robust, smart, economical, and safe batteries for today's products requiring reliable mobile power.

To register for this seminar, please contact Scott Misbach at Martan, Inc., 636-294-2310 or [smisbach@martaninc.com](mailto:smisbach@martaninc.com)
